NOVEMBER MISSION FOCUS
Bethesda Mission

More Than a Place to Sleep - At Bethesda Men's Mission, providing shelter is only the beginning of a journey toward lasting recovery. Every man is encouraged to develop a life-transforming relationship with Jesus Christ while receiving individualized support to address challenges such as addiction, mental health, and physical health. Life coaches help residents establish goals, build life skills, and prepare for employment and stable housing. Through long term recovery programs, counseling connections, and spiritual guidance. Bethesda seeks to support the whole person rather than simply address immediate needs. Our gifts help sustain this Christ-centered work and offer men the opportunity to build healthier, more hopeful futures.
