NOVEMBER MISSION FOCUS
Bethesda Mission

Hope and Healing for Women and Children - Since opening in 1983, Bethesda Women and Children's Mission has provided a safe place for women seeking recovery, stability, and a fresh start. As a Christ-centered ministry, it offers short-term support and longer-term recovery programs that include counseling, discipleship, parenting education, financial guidance, and employment assistance. Women who complete these programs may transition into supportive housing as they prepare for greater independence. Throughout this journey, residents receive encouragement and practical tools to help them build stable lives for themselves and their children. Our support helps Bethesda continue offering women and families a place to find safety, healing, and renewed hope.

Sunday Altar Flower Sponsorships
This week's altar flowers are in memory of Joan Rigby's birthday on November 15th and the anniversary of her passing on November 9th. They were sponsored by her devoted husband, Tom Rigby, in honor of how much Grace Church meant to her and how much she meant to Grace Church.

We invite you to place flowers in the Sanctuary in memory or honor of a loved one or in honor of a special occasion. If you'd like to sponsor the flowers during Sunday worship, please contact the office or click HERE.
