NOVEMBER MISSION FOCUS
Bethesda Mission

Investing in the Next Generation - Bethesda Mission's Community Center, known through its Takeover 717 ministry, builds meaningful relationships with children, teens, and families throughout the Harrisburg area. Through mentoring, summer camps, clubs, sports, and teen programs, young people are encouraged to grow in confidence, develop leadership skills, and discover their God-given potential. The ministry also seeks to guide young people toward a relationship with Jesus Christ so they can positively influence their homes, schools, and communities. By providing caring mentors and opportunities to learn and grow, Bethesda invests in a stronger future for the next generation. Our contributions help sustain these programs and remind young people that their community believes in them.

Shed of Grace

As the season begins to change, we are in need of Fall/Winter clothing. Blankets are always welcomed! See Chick Zoll for more information. And check out the Shed of Grace Amazon Registry by clicking HERE!

Sunday Altar Flower Sponsorships

This week's altar flowers are in memory of Joan Rigby's birthday on November 13th and the anniversary of her passing on November 9th. They were sponsored by her devoted husband, Tom Rigby, in honor of how much Grace Church meant to her and how much she meant to Grace Church.

We invite you to place flowers in the Sanctuary in memory or honor of a loved one or in honor of a special occasion. If you'd like to sponsor the flowers during Sunday worship, please contact the office or click HERE.
