## 2020-2021 CALENDAR OF EVENTS

---

Planning a ministry calendar is always a challenge, and even more-so with the realities of COVID-19. I desire to keep things as normal as possible, and want our students to have big fun as they grow in their relationship with God. I tried to plan 2021 as if it were a normal year, keeping in mind the key word "flexibility". All of the dates on this page are subject to change. But rest assured, whatever may come, we will be flexible and go forward on mission with God. Thank you so much for being part of our FBC Student Ministry!
