The primary purpose of our camp is spiritual—to facilitate a daily awareness of God, faith in Him through Jesus Christ, and obedience to His purpose for each believer in His service. The secondary purpose of our camp is to be safe and enjoyable.

- Must travel in groups of 4 or more.
- No guy should be alone with a girl. No girl alone with a guy.
- No cussing or bullying.
- Must listen and respect to leaders at all times.
- Must not damage or deface camp property.
- Students must stay in designated areas at all times.
- Leaders reserve the right to make rule revisions as necessary.
- All campers will be permitted and expected to participate in all guided activities of the camp except those disallowed by the parent(s) or guardian(s) by written statement.
- There MUST be a properly completed registration form endorsed by parent(s) a guardian(s) for each camper.
- In keeping with a lifestyle consistent with Christian camping, use of tobacco in any form by campers or camp personnel is not permitted. The same is true of alcoholic beverages or drugs of any nature. Weapons or potentially harmful objects are not allowed. This includes knives, guns, fireworks, etc. Since the camp is designed for spiritual growth, it is considered inappropriate to engage in any indecent or ungodly activities, foul or profane language and immoral conduct.
- In the spirit of Christ-likeness, everyone is expected to cooperate with the camp program. Those who choose not to cooperate or cause undue disturbances will be required to call parents or guardians notifying them to come and pick them up from camp. The expectation is that each camper and leader will conduct themselves in a manner displaying care and concern for each other, and pleasing to the Lord.
- There are plenty of planned group activities. Do not bring electronic games or equipment. Items of this sort will be collected by the Camp Director and stored in a safe place until the end of camp then returned to the owner at the time of departure.
- Those attending Camp will be expected to dress in modest clothing at all times in order to honor Christ and each other. No clothing with inappropriate words or graphics. Clothing will NOT be permitted that displays anything other than school, sport, or Christian messages or slogans. Swimsuits should be one piece for the ladies and no brief or bikini style for the gentlemen. Leaders and Staff personnel will consult about clothing deemed off-limits and campers may be

asked to change into something more appropriate. The Camp Director may require that a T-shirt be worn over the swim suit in some cases. There shall be no bikini or other two-piece or overly revealing swimming suits allowed in or out of the pool, or anywhere else on the campgrounds.

- Each Camper is responsible for his or her own property. The Leaders are not responsible to look after your property. With that in mind, it is strongly recommended that you do not bring expensive clothing or personal articles to camp. Whatever you do bring, YOU are responsible to keep track of it and to remember to take it home with you after camp is over.
- Mobile devices may be used but have to be turned off when required.
- No non-permanent earrings will be worn by anyone in the swimming pool. Nose, belly button, eyebrow, or tongue rings etc. will not be worn at camp.
- No one is to swim in the pool except at scheduled swim times and the Rules for use of the Swimming Pool will be strictly observed at all times.
- Campers may not leave the dorms after curfew except with a staff escort for legitimate purposes. Each staffer will be responsible to enforce this with the Director or Leaders' knowledge.
- Absolutely no raiding or tricks are allowed, and under no circumstances are girls to be in the boy's dorms or boys in the girl's dorm - NO EXCEPTIONS!
- There will be no public display of affection at camp. If you need an explanation ask the Camp Director.
- All medications for campers must be made known to the Leaders.
- We cannot accept a camper who has been exposed to a contagious or infectious disease within the two weeks prior to camp.
- Personal hygiene is expected to be followed: routine showers, clean clothes, deodorant, etc.
- Our camp is not geared to handle individuals with emotional or behavioral problems that would be disruptive to the overall purpose of our camp (stated above). Persons with physical disabilities that require special attention must be accompanied by a qualified caregiver provided by their family or church.

By signing this camp registration, you are entering into an agreement with Milestones Church and Garden City Beach Camp. In signing this agreement, the student and parent/guardian agrees that failure to use good judgment and common sense in following the rules above, may result in dismissal from camp, to be returned home at the expense of parent/guardian. Generally, your behavior should reflect these three basic things: 1) Be where you are supposed to be, when you are supposed to be there, doing what you are supposed to be doing; 2) Always be on time, always be flexible; 3) Have a good attitude and teachable spirit.
