Why Camp Ministry?

In today's world we are seeing an ever so growing trend of young people without the proper guidance in life. Many of these teens are finding direction through drugs, alcohol, sexual relationships, truancy and other delinquent behaviors. On the other hand, we know there is a minority of students who discover a path that leads toward solid Christian values and clean living. These students make choices on a daily basis that go against the flow of their peers.

So what's the difference between these two groups of students? How do so many students slip through the cracks and crater into the traps associated with a deviant culture? And how do a small few avoid the snares of life and walk upright towards a life of successful living?

The answer... the difference Maker resides in the lives of loving and caring Christian adults who choose to share their time and knowledge with young people.

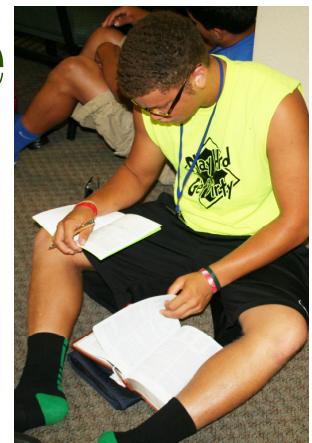

This is where Camp Chaparral fits into the picture...

Our programming philosophy separates students from the pressures of this world and unites them with loving and caring adults who, over the course of a four or five day camp, can instill good solid Christian principles.

Youth Retreat Lodge Update

In order to reach more young people with the message of Christ, our Board of Directors authorized the construction of the Youth Retreat Lodge.

This facility is projected to be completed in time for the 2014 summer season. The addition of 108 beds in this facility will bring our total capacity to 500 camper beds at Chaparral.

Fine Dining

At Camp Chaparral we have always strived to provide our guests with the very best in culinary preparations. In staying with that tradition, we have added several new items as well as revived some old favorites of the Chaparral Menu. Let's start with hand breaded Chicken Parmesan.

We carefully prepare the chicken with a mixture of Italian and "secret" seasonings and then cover the chicken with Panko Japanese bread crumbs. After a quick flash fry, we top the chicken with fresh mozzarella cheese and bake to bubbling perfection. The combination is a flavor explosion.

We pair our Chicken Parmesan with penne pasta, sautéed Italian vegetables, garlic bread sticks and a choice of marinara or alfredo sauce. With a variety of dessert options as well as our enormous salad bar, our guests walk away feeling full and ready to return to their activities.

*"If you haven't time to help youngsters find the right way in life, somebody with more time will help them find the wrong way."

Tempurpedics or Laser Tag Anyone?

Have you ever slept on a Tempurpedic Mattress? If not, you can try one of our over 440 new mattresses at Camp Chaparral. The Tempurpedic Co. donated the mattresses because of our affiliation with the "Good 360" organization. We are able to receive a

truck load of 140—160 mattresses for a \$7,000 processing and shipping charge. Bringing the cost of each mattress to \$50. Now you can "rest happy" with that deal!!!

~~~~~  
Our Newest amenity at CC is our Laser Tag

Arena. Our 2013 summer guests have already experienced a "blast" of a time. This \$45,000 addition is providing for new avenues of fun at Chaparral.

Reserve your outing this fall and this activity is sure to be a "hit"...  
All puns were intended!!!

## Youth Retreat Lodge Continued

Each \$1,000 we raise for the YRL increases the bed capacity for up to twelve additional campers each summer. Can you imagine

that over the course of 20 years that we could reach an additional 242 students with each bed we add. Now multiply that number by 108 beds and over that same 20 years we could

reach 26,136 more students with the life guiding message of Christ's love and forgiveness of sin. Now that's the kind of gift that keeps on giving for generations to come.

# Help! Help! Help!

We need help! We need your help! We are respectfully requesting donations to raise the remaining amount of \$69,000 needed for our Youth Retreat Lodge construction. Once we raise this amount, we will be awarded a private matching grant in the amount of \$40,000. By teaming up with us, you can rest assured that your legacy through your

considerate gift will continue to be used for training young people and supplementing the work of the local church for years and decades to come.

Our goal is to have all funds in place by February of 2014.

Again, thank you for considering our request. The hope of its approval is a boost to us.

I am eager to discuss our fundraising efforts with you. If you have any concerns, need additional materials or if you have any questions, please call us. (940)855-4182.
