## **Our Family in Christ**

What a great group of people with whom to worship! West Court is so much more than just a place to meet. It is a family, and we have all come together to support each other in the ministry that God has chosen for us.

Not only have we grown as children of God, but we have fostered other churches that also minister for the kingdom. When I look at the growth that we have experienced over the last few years I can see God at work in the lives of our congregation. We have had a lot of heart ache in those years, but the people of God have been there for each other to uplift and pray for the needs of this family.

I can't begin to go through all the blessings that this church has experienced. I'm not allowed that much room in newsletter but understand that whenever there has been a need here, God has sent a solution. When we as a church are faithful to the calling, He puts on our lives, He provides beyond our expectations. The love and care that this church has shown to new people coming in and to working towards reaching out to the community is a blessing to watch.

We are beginning to trust God to provide what is necessary to step out in faith and start new programs. Programs, however, will never take the place of us sharing the love of God with those we encounter each and every day. As we ask the Holy Spirit to fill us each morning and to send us people to witness to, we will find the peace that He has for us. That peace comes through the faithful following of Jesus and making sure what we say and do would be within His will - that is the peace that passes understanding.

I want to welcome again our fellow believers in Christ from Hilltop Church of God. It is such a pleasure to see the love we share in Christ. I am experiencing more and more that nothing is impossible with Christ. Look for that person to bless. Look for the person that needs you to tell them about the love of Christ and be sure your life is an example of that love. It is only through God's power and your faithfulness that we closed out the year over \$25,000 to the positive. God is good.

Love in Christ

*Pastor Brad*
