GOD IS AT WORK IN OUR COMMUNITY

We have seen some amazing things happen at West Court over the past few months. People are beginning to see that West Court is a place where you can come and experience the love that Jesus talked about. People are being baptized and the word is spreading through the actions of the people of God. I just love watching God work. We have a need at the church and God sends someone with the skills to fill it.

I love the enthusiasm of the new Christians; it reminds me that we must remember our first love. When we first meet Jesus and start to rely on Him we get so excited and then it often seems to wane, but the Bible tells us to remember our first love. Loving God with all our heart, soul, and mind is the number one commandment. We must be willing to put Him first. To let Him lead us in our daily walks.

Do we have things that get in the way? Do we let other imagined needs get in the way so that we just can't seem to be all that He wants us to be? Do we take on the pressures of this world and forget who is in charge? Do we let the desires of this world take over the first place in our hearts? I know many of us struggle with staying focused on God. We let the things of this world distract us from what God would have us do. I know I am distracted at times, and I have to get back to the Word and my first love.

God is moving in the lives of the people at West Court. We are seeing the beginnings of a revival in our surroundings. We are seeing the churches working together for the common goal of spreading the gospel. We are experiencing less distractions due to our differences and more unity in the spirit.

I just love watching God work and I hope and pray that I can be a part of His work for the rest of my life. It is only through Loving Him and serving people that any of us will ever experience the life that God has planned for us.

May God bless all of us as we walk this journey together.

Love and Prayers
Pastor Brad
