### **BRINGING HOPE TO FLINT**

As I think of all the Spiritual darkness in the world, I'm so thankful for West Court and the people in this congregation. You are the light in the darkness of the greater Flint area. We are gradually beginning to see people finding that light. We have more opportunities to reach people in our area and see changes in their lives. God is good and as our faith in Him increases we see the Holy Spirit at work around us. We are seeing miracles in our community. God is moving in the Flint area and I'm so glad that we are a part of it.

Every day we have more opportunities to help the people around us see the light. More people are seeing us as a place they can go to and feel loved. It is only through the work of each of us that new people are introduced to God through West Court every week. The Holy Spirit is alive and present to the people that come through our doors. We are the light that brings hope to a world of darkness.

God is still working on me and helping me to see new opportunities every time I take a moment to listen to Him. If we all look around us and find a person or maybe several people who need a renewed hope and do our best to help them find the hope that only the Holy Spirit can give, we will see God bless us more and more each day.

Read the word, study it, and see what God has for you in its pages. It has been shown that those who read the Word at least four times a week have more hope and a more positive outlook on life than those who don't. Find your hope in the Word and share it with everyone you know. When we do, we will see the world around us become a better place.

We will begin to bring heaven to earth as the scriptures proclaim. Don't just look for the light but **be** the light in your community.

Be encouraged by knowing **"He triumphed over them by the cross" – Colossians 2:15**

When Jesus Christ died on the cross, He disarmed the powers and the authorities and made a public spectacle of them, triumphing over them and making us victorious in all aspects.

**"We fight with weapons to demolish strongholds" – 2 Corinthians 10:4**

In spiritual warfare, the weapons we fight with are not of this world. They are spiritual weapons with divine powers to destroy strongholds. As long as we have faith in Him nothing is impossible.

Love in the name of Christ,

Pastor Brad

## Dream It – See It

**\*\*\*More information on the Capital Funds Campaign that was initiated in December 2024!\*\*\***

Please check the thermometer posted in the hallway to see our progress. God is faithful and the fund is growing! If you have any questions, please see one of the Leadership Team. Keep your eyes open as we see God at work! The information I have today is that \$9961.00 has been given. Praise God! Continue to pray for this endeavor as we keep up with the maintenance of God's building.

There are pictures on a board in the hallway of before and after shots so we can literally see the progress! Who noticed at our Picnic on the 8<sup>th</sup> that the cement was even in the Pavilion? It was so nice not to have to worry about tripping over the heaved cement. That was number 1 on our list for completion. Thank you! Our Sanctuary lights are next. The total cost to have our 22 lights done is \$22,000 which is \$700.00 per light, plus installation. God is good!

When you contribute to this Campaign please indicate on your envelope or your check that it is for the Capital Funds Campaign and know that we will not start any project without having sufficient funds for the completion of that project. Your gifts are greatly appreciated; any size donation is so helpful it adds up when we work together.

Your Sister in Christ,  
Chris
