A CENTURY OF FAITH, A FUTURE OF PROMISE

We are quickly approaching the 100th Anniversary of West Court. This church has gone through many transitions over the years and has always served the community well. I really like the place we are in now in 2026. We are serving a group of people that seem to have no other place to go.

We are welcoming strangers and finding ways to meet their needs. We are helping the kids with the STEM programs. The fact that our church is all about serving others and doing the work of the Holy Spirit gets me excited. Sure, there are still hiccups and things to be worked out, but we are getting there by representing Jesus to the people around us. Does that sometimes make life inconvenient for us? I would have to say yes, it does. We are getting better all the time at letting go of our expectations and finding out what the Holy Spirit has in store for us.

Communication is one of the keys to some of the issues we run into; the better we communicate with each other the better we will understand the unique ways that others

communicate. Remember a church is a family and as families sometimes there are difficulties that we need to work out. So be patient with each other and trust that the Holy Spirit will fix whatever is broken. The more we let go and let the Holy Spirit take control, the better all our lives will be.

Remember Jeremiah 29:11 - He has plans to prosper us and not to harm us. Stand on that promise and trust in the one that never fails us.

Love in Christ

*****More information on the Capital Funds Campaign that was initiated in December 2024!*****

BELLS ARE STILL RINGING !!!! I continue to be amazed when I see the number at the end of each month. Please check the thermometer posted in the hallway that shows our progress. **I love being able to tell of our progress! God is faithful and the fund is growing!**

If you have any questions, please see one of the Leadership Team. Keep your eyes open as we see God at work! As of May 31, 2026, **\$43,436.00** has been given! **Praise God!** Our giving keeps inching its way upward. Continue to pray for this endeavor as we keep up with the maintenance of God's building.

When you contribute to this Campaign please indicate on your envelope or your check that it is for the Capital Funds Campaign and know that we will not start any project without having sufficient funds for the completion of that project. Your gifts are greatly appreciated; any size donation is so helpful, it adds up when we work together.
