We are called to be a force of redemption and reconciliation in our local communities and throughout the world. Relief, hope and salvation are being realized by men, women and children who have been victims of natural and man-made disasters because you are being the Hands and Feet of Christ.

Together, in one Accord, we disciple, equip, and teach others that Jesus is the Subject. "Jesus said, I am the way, the truth, and the life."

Faith Promise 2020-2021 Sunday, October 4, 2020

Once again, the Missions Task Force is making an adjustment in the way Faith Promise is presented and celebrated. On October 4, 2020, there will be a brief presentation of the budget projected for year October 1, 2020 - September 30, 2021, along with time to consider the amount each person may be willing to offer toward the next Faith Promise Year. Also, on **October 18, 2020, Jenny Mihsill** will be here during our Sunday morning service to share some of her family's experiences while they serve in Cote d'Ivoire. I'm sure this time together will be positive reinforcement of our desire to help others share God's word.

As was practiced last year, your commitment form will not be collected. It is hoped that you will remember and fulfill your individual vows. Upon review, you will see that the total budget has been reduced by \$2,000.00 from last year. If you wish, you may make additional contributions by visiting the Church of God Global Strategy website: www.chogglobal.org or the Children of Promise website: www.childrenofpromise.global It is understood that any commitment made during this time of pandemic, is truly a Faith Promise. Thank You.
