Who can believe it's 2020? That date seemed so far away and now it's here. Every year there are a lot of questions we have as to what will happen in the year to come: What will the big news events be? What will this year be like for our family? What great things will happen that we never expected?

Ecclesiastes 8:7 says it well:

⁷ ***Since no man knows the future, who can tell him what is to come?***

There may be articles with predictions of coming events by psychics and others who have had large instruments dropped on their heads. But, nobody looks at these articles a year later and sees how wrong and completely useless and impossible it is to see what will happen. I look forward to the good things that will happen in the life of our congregation. There will be people who come to know the Lord for the first time. There will be lives changed and many will see spiritual growth and renewal. God will be God and His goodness will always be seen in the lives of those who follow Him.

But, let's live in the present & see what it is that we need to do now to grow. What we need to do now to serve Him and help others come to Jesus. Hebrews 3 says:

¹³***But encourage one another daily, as long as it is called Today, so that none of you may be hardened by sin's deceitfulness.***

As long as it is called today means, "Do it now." Be faithful to your brothers and sisters in Christ. Be faithful to your God. The time will come when Jesus returns. That much of the future we do know. And it will no longer be called "Today." The best decision we can make is to continually be faithful in all ways with all the moments that make up "now" until we meet Him. May that be true of all of us this coming year. Have a great 2020!!

Youth Minister

Jeremiah Woodring

I wanted to take a moment to let everyone know about a big upcoming event for the high school Youth Ministry. This summer from June 19th - 29th we will be traveling to Northern Ireland.

While there our group will be working with a youth outreach ministry in Northern Ireland called "R.I.O.T." Basically, for the 10 days we are there, we will be helping to staff the ministry as they provide various summer activities for kids there. We are going with Christ in Youth once again and it promises to be a great experience as always. There will be 13 of us going this year. 11 high school students, myself and Glen Moore will travel to Ireland. There will be several ways you can help support us this coming year and I wanted to make sure you knew about those opportunities.

On January 18th we will have a "Parent's Night Out" fundraiser in which we will take donations to watch your kids so you can have a night out! Starting at 6:00pm and going until 9:30 just drop your kids off and we will have lots of fun here at the church!

On January 19th we plan on having our "Giving Wall" up. You may remember it from year's past, where you could take an envelope with a dollar amount on it and commit to bringing that amount back as your donation to the trip. Our church has always been so incredibly generous when it comes to things like this and we thank you in advance for whatever you choose to give!

Then on February 16th we will be hosting an Irish Pancake Breakfast at the church that morning! We will have breakfast at the church that morning from 8:30 to 10:30! Donations will be accepted once again!

These are a few of the upcoming fundraising events we have planned. As you know we will need more than money to make this trip happen and therefore we ask you to pray for our group as well. Pray for our safety and for our team to come together ready and willing to serve each other and the Irish teens we will come in contact with! Thank you so much for supporting us so well in this endeavor!

Grace and Peace,
Jeremiah
