I don't know about you, but really enjoyed our Independence Day & Fireworks celebration! God has blessed us with a great nation and has given us the freedom to worship Him. What better way to celebrate a great nation than in fellowship with other believers, acknowledging where this freedom ultimately comes from. This is more important than ever before.

Marcus Allen

There is a strong movement in this nation against Christianity and standards of right and wrong. Ultimately, this is a spiritual war and we must pray for our nation and leaders daily that we may keep our freedom. More importantly, though, we must pray that the church may take advantage of the freedom we have and bring more people to a knowledge of Jesus Christ.

Also, I would like to make sure everyone knows what a wonderful year this has been for church camp. This has been a record breaking summer in terms of attendance. I often wish the whole church could see the great things that happen at Rock Garden and the impact that the ministry there has on the lives of many young people. So far we've had High School, Jr. High & 5-6th grade weeks. Each one was a tremendous success of well organized and planned out themes geared for each individual age group. But, more than that, God's Word was taught as well as learned; decisions for Christ were made and commitments renewed. It's largely because of camp that I went into ministry and grew in my relationship with Christ. Now, to be a part of that is one of the greatest blessings in ministry.

When I look at the young people at camp, I often wonder which ones will be the camp faculty, youth ministers, missionaries, etc. in the future. It's something that anyone with the passion for helping young people in their walk with Christ can be a part of. Next year, find a way to serve in this area. You'll be rewarded more than you can imagine!

Having our brand-new Pomona Kids area up and ready means we can finally host a Vacation Bible School again and have the space for all of our kiddos and their friends. We are looking forward to using our new space for this year's Yee-Haw VBS.

Vacation Bible School is a special event that creates memories and helps lock bible truths in a child's heart and mind for a lifetime. VBS is one of the many events we hold at Pomona that excites the kids, engages them and helps them know that God and the people at Pomona really care about them.

This is a fantastic way to connect with the kids in our church but also and more importantly, reach out to kids in our community. VBS can be a great outreach program and an amazing opportunity to show Christ's love to children who may not see it anywhere else. That can only happen if we invite our friends, cousins, neighbors and strangers at Walmart to join us.

A day at Yee-Haw VBS will include Moo-sic, Bible Adventure, Projects with a Purpose and Saddle-UP Sports. At Yee-Haw Vacation Bible school, kids experience God's Word in surprising and unforgettable ways! Each day, leaders reinforce one simple Bible truth—which makes it easy for kids to remember and apply to real life.

So, saddle up for two trailblazing nights of fun! Kids will kick up their heels at Yee-Haw VBS as they stampede through the wild frontier and celebrate the greatest truth of all—God is good!

Yee-Haw VBS at Pomona Christian will be Tuesday, August 6th and Wednesday, August 7th from 6:00 to 8:00.

Missions Update

As Marcus quoted in one of his recent sermons, James 1:27 states "Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world." One of the ministries that PCC supports through your generosity is Shiloh Christian Children's Ranch. In their own words:

"The Mission of Shiloh Christian Children's Ranch to provide Christian homes for abused, neglected, and other at-risk children and to meet the spiritual, emotional, educational, social, and physical needs of each child."

Currently, Shiloh's ministry has a total of six homes for children, two relief homes, and one on-site school between their two locations in Clarence, MO and Kahoka, MO.
