I'm always excited and ready for Fireworks and a great time of fellowship as always as we get together for our annual Independence Day celebration. God has blessed us with a great nation and has given us the freedom to worship Him. What better way to celebrate a great nation than in fellowship with other believers, acknowledging where this freedom ultimately comes from. This is more important that ever before.

Marcus Allen

There is a strong movement in this nation against Christianity and standards of right and wrong. Ultimately, this is a spiritual war and we must pray for our nation and leaders daily that we may keep our freedom and use it for God's glory! We must also pray that God's role in our nation's heritage will not be erased. More importantly, pray that the church may take advantage of the freedom we have and bring more people to belief in Jesus the Christ.

Also, I would like to make sure everyone knows what a wonderful year this has been for church camp. I often wish the whole church could see the great things that happen at Rock Garden and the impact that the ministry there has on the lives of many young people. So far we've had High School, Jr. High & Intermediate weeks. God's Word was taught as well as learned; decisions for Christ were made and commitments renewed.

When I look at the young people at camp, I often wonder which ones will be the camp faculty, youth ministers, missionaries, deacons & elders in the future. I am so thankful to still have the opportunity to work with and serve the youth in this area. It's something that anyone with the passion for helping young people in their walk with Christ can be a part of. Next year, find a way to serve in this area. You'll be rewarded more than you can imagine!

Connections & Outreach Minister

You have a new minister on staff. Who is he? And why is he here? I'm the new Connections and Outreach Minister. My name is Jeff, and I'm a follower of Jesus. I'm a husband of Tina for 33 years. I'm a dad to four great adults kids. Michael is our oldest and lives in Chicagoland. He works as an

estimator for an interior construction company. Samuel is married to Anna and is a medical student at Mizzou. Cara is a midshipman at the U.S. Naval Academy. And J.J. is recently married to Mark and graduated from Milligan College with a degree in elementary education. I've also been a minister for 35 years and have degrees from Kentucky Christian University, Lincoln Christian Seminary, and Gordon-Conwell Theological Seminary. Tina and I moved to West Plains from New Lenox, Illinois where I served as the lead minister for nearly 19 years. That is a little bit about my family and me.

Why am I here? Simply put I love to see people find help, healing, and hope from a growing connection with Jesus and with His church. When we share Jesus, follow Jesus, and serve Jesus, we not only give help, healing, and hope; we lead others to find that same life with Christ and His church. I'm here to come alongside the Starting Point Ministry to provide a warm, welcoming, and safe place each Sunday. I'm also here to help people get connected to Jesus and to His church in salvation, service, groups, and Sunday School. And finally, I'll oversee our efforts to reach out to the broken and lost of our communities.

Please introduce yourself to my wife, Tina (pronounced Tie-na), and me. Even if we met before, please meet us again, because I want to get to know you and your names!

In grace and truth,
Jeff

PCC Missions Spotlight

July Birthdays

Acts 13:47 "For this is what the Lord commanded us: "I have made you a light for the Gentiles, that you may bring salvation to the ends of the earth."

For this month's missions spotlight, I want to return to a previously mentioned ministry we at PCC support, Nagaland Children's Outreach Ministry and national missionary Elilo Patton. Our church's partnership through our missions fund has helped support Elilo and her God-given mission to create a Christian orphanage for the "hill country" orphans of Nagaland. The Lord has provided funds through church giving to construct houses, dorms, and self-sustaining farming areas. They have hopes to build a worship center to meet the children's needs. Thank you PCC for your continued support of this and many other local, national and international missions.
