

My family and I are so excited to be a part of North Park Church. I grew up in Johnstown, Pennsylvania and attended Indiana University of Pennsylvania for undergrad. My husband and I got married right after college and then worked for the Coalition for Christian Outreach for four years as campus staff at Penn State. We then spent six years in Massachusetts and a year in Michigan before returning to Pennsylvania for me to serve as the Director of Children's Ministry. During our time in Massachusetts I graduated from Gordon-Conwell Theological Seminary with masters degrees in Biblical Languages and Old Testament. I'm thrilled to be putting those degrees to work as I plan programs and lessons that communicate the bible to the children of North Park Church.

My husband, Steve, and I have been married for ten years. We live in Allison Park with our sweet children, Oliver and Lucy. In my spare time I enjoy reading, drinking coffee, knitting, writing and enjoying God's beautiful creation with my family.
