I am thrilled to be pastor at North Park Church since Spring 2009. I am also thrilled to be the husband of Beth and the father of four awesome, now adult, children who are scattered around the country. Beth and I live in Wexford, close to the church, but we came from far away. We migrated to Pittsburgh after living our entire lives in Florida. I am from Ocala. Beth is from Bradenton. We met as students at the University of Florida. Our adult lives were spent in Palm Bay, Florida where I pastored Covenant Presbyterian Church (PCA) for more than 24 years.

What would make us move from Florida to Pittsburgh? God. And the great joy of leading a church like North Park where people truly love our Savior and desire to advance His fame.

Other factoids - holds a Doctor of Ministry degree from Reformed Theological Seminary. Was born June 11, 1957. Grew up Southern Baptist. Became Presbyterian in college. Played and coached basketball. Was the teacher on the radio program "The Bible and Life" for more than twenty years. Likes humor, reading and the Florida Gators.
