

MIDWEST MISSION Day of Giving

Sept. 8, 2019

Your donations ensure our quick response in times of crisis around the world. For every \$1 donated, \$9 in education, health, micro-business, and disaster relief supplies are sent to support those in need.

"By giving, you are offering aid in Jesus' name to those in need around the world which will allow Midwest Mission to reach their goal of one international shipment a week."

-Pat Wright, Midwest Mission Endowment Committee Member
