## Mission Team Special Skills Summary

Team Name / Team Leader:	Missionary Name:	Mission Trip Dates
--------------------------	------------------	--------------------

Many diverse job assignments are available at Midwest Mission. Several skills of various levels are continually required.

Approximately 70% of job assignments require no special skills- just a willingness to serve God as led. These include assembling kits, maintenance of grounds, housekeeping, warehouse labor, painting, and helping skilled positions as directed.

Other work assignments requiring special skills make up the other 30% of our needs.
