Midwest Mission

Midwest Mission opened for ministry in 2000. Midwest Mission show's God's Love in a practical way through the distribution of education, health, and disaster relief supplies, meeting basic human needs around the world and around the corner. Midwest Mission provides a "hands-on" mission experience to all those who serve from all its missionaries from all around the US. For those receiving supplies, Midwest brings hope that someone somewhere loves and believes in them.

Mission

Transform the resources of God's people into humanitarian relief.

Distributions

Midwest Mission distributes its kits, resources and supplies after a request for items has been made. Midwest Mission makes a point to connect with local organizations in order to provide aid particularly with those items that are received that do not quite meet all of the size restrictions for the kits. Midwest Mission is one of ten cooperating depots in the United Methodist Committee on Relief (UMCOR) Supply Network & often gives UMCOR supplies to respond to disasters within the United States. Midwest Mission also partners with Food for the Poor, Franciscan Mission Warehouse, Christians in Mission & US Southern Command.
