GLOBAL FOCUS

Update From Evangelical Friends  
Mission About The Liddells (Part 2)

**Fred, Jonelle, Alex, and Jael Liddell** joined EFM in 2024, after a long process of God leading them towards overseas ministry and then to EFM specifically. Through the Luke 10 process, God has been slowly deepening a call to and love for the people in southern Croatia and its bordering regions. They are eager to see a body of local believers known for the way they love God and others, singing praises to the Lamb.

God has used Fred and Jonelle in discipleship for most of their lives, individually and together. They feel a burden to share Christ with those who know nothing of him, and to help those who only know his name to build a rich relationship with him. They look forward to learning the culture, building relationships, making disciples, and joining the work of God in the Balkans (a region in Eastern Europe).

The Luke 10 Initiative is the process we, as Evangelical Friends, used and are using to discern where God wants us to start new mission fields together.

OUR MISSION:  
To find rest for our souls in surrender  
to the gentle and humble heart of Jesus

OUR VISION:  
To be a united, growing family that embodies  
the presence of Jesus to everyone we encounter
