NEW ALBERTA HEALTH SERVICES PROTOCOLS FOR CLERGY HOSPITAL VISITS

Due to FOIP related protocol amendments with Alberta Health Services (AHS), patients in hospital must be **registered as Catholic** and have **digitally signed consent** to receive visits from their faith community coordinated by Spiritual Health Practitioners. If the patient is unable to sign, a family member may do so on their behalf. Without signed consent, the in-hospital Spiritual Health Practitioner cannot contact the clergy on-call.

Regardless of the new AHS protocols, patients and families may still make private arrangements for a priest/deacon to visit.

This information is now available on our website for future reference here:

Help our parish pay off our mortgage!

If you spend \$600/month on groceries, buy \$600 each month of grocery gift cards. The church profits about 7% to pay on the mortgage; 7% of \$600 is \$42. **In one year**, you could be giving \$42 x 12 months = **\$504** to pay the mortgage.

If 1,000 of our parish families did the same, in one year, we would have \$504 x 1,000 = **\$504,000**

This benefit to the church creates no additional cost to you, our parishioners!

THANK YOU!

This year, we had a grand total of 98 campers and youth helpers, and 30 adults, playing various roles. Our summer camp is only possible through the generous gift of the time and talent of our dedicated volunteers! Moderators worked together, planning the theme and programming details. Youth helpers attended leadership training in preparation for their roles at camp. This event is result of many hands, working together in service to each other, and to our Lord. May God bless you each abundantly for your stewardship.
