NEW ALBERTA HEALTH SERVICES PROTOCOLS FOR CLERGY HOSPITAL VISITS

Due to FOIP related protocol amendments with Alberta Health Services (AHS), patients in hospital must be **registered as Catholic** **and** have **digitally signed consent** to receive visits from their faith community coordinated by Spiritual Health Practitioners. If the patient is unable to sign, a family member may do so on their behalf. Without signed consent, the in-hospital Spiritual Health Practitioner cannot contact the clergy on-call.

Regardless of the new AHS protocols, patients and families may still make private arrangements for a priest/deacon to visit.

This information is now available on our website for future reference here:

Help our parish pay off our mortgage!

If you spend \$600/month on groceries, buy \$600 each month of grocery gift cards. The church profits about 7% to pay on the mortgage; 7% of \$600 is \$42. **In one year**, you could be giving \$42 x 12 months = **\$504** to pay the mortgage.

If 1,000 of our parish families did the same, in one year, we would have \$504 x 1,000 = **\$504,000**

This benefit to the church creates no additional cost to you, our parishioners!
