

# Participant Consent Form and Release – Appendix 907C

Opportunities sometimes arise for The Catholic Archdiocese of Edmonton and/or its parishes to spotlight young parishioners and promote the faith in Archdiocesan or parish displays/publications (including but not limited to websites, newspapers, brochures, videos, television, calendars, slide shows, workshops, presentations, or other publication venues). With your consent, personal information of your child may be collected, used and disclosed. This personal information may be, but is not limited to, photographs, videotapes, audiotapes, or interviews at various church-sponsored events. If you agree to allow your child's personal information to be collected, used and disclosed by the Archdiocese and/or parish for promotional, social sharing and educational purposes, please give your consent and have your child return the form to the parish.

In addition, the Archdiocese and/or individual parishes are sometimes contacted by the media to do feature stories about a specific church, program, activity or event. If you agree to allow the media to collect, use, disclose and reproduce your child's personal information, please sign with your permission below and have your child return the consent form to the parish/Archdiocese.

Your consent is required in order to use, collect and disclose your child's personal information. This consent is valid as long as your child remains in the program in question; e.g. year after year in the case of catechism classes, a shorter time for First Communion preparation and celebration.

Written notification to the parish or Archdiocese is required should you wish to revoke, modify, or change your consent. In the event that you do not provide consent, it is your duty to keep your child away from any activity where personal information may be collected, used and disclosed.
