## MORNING WORSHIP

**Titus 2:1-8 - Becoming a Titus Two Woman**

**Problem:** Christians are being shaped by secular culture more than Scripture.

Scripture makes clear God's plan, God's assignments, and God's roles for men and women.

In **vv. 3-4** older women are instructed to "teach what is good, so that they may encourage the young women."

This "teach what is good" is not in relation to pastoring a church, rather discipling and mentoring other women.

**Proverbs 16:23** tells that that we're to teach our mouths how to speak.

Three areas older women can disciple younger women:

- 1). **Disciple in Doctrine.** You teach others what the Bible says about God.
  - 2). **Disciple in Character.** You teach others what the Bible says about how to live.
  - 3). **Disciple in Ministry.** You teach others how they're to serve the Lord.
- Elisabeth Elliot once asked the question, "Where are the godly older women who are to teach younger mothers how to manage their children and homes?"
  - A godly older Titus 2 woman does much more than just live a godly life, she talks about the Lord, especially to younger women.

Godly people don't have the attitude, "my faith is private." She models her faith and speaks up about it.

**Takeaway:** We honor God by discipling and encouraging other women in their walk with God.
