MORNING WORSHIP

The Bible's Greatest Chapter – Romans 8:12-17

The first eleven verses of Romans 8 taught us about our privileges.

We have no obligation to live in the flesh. We set apart to live in the Spirit – we never forget our identity. We don't want to go "back to Egypt." **Acts 7:39**

Paul now shifts in this section to teach us about our present responsibilities.

The Puritan [John Owen](#) said, "You must always be killing sin or it will be killing you."

How do we "put to death" sin in our lives?

1. We **confess** the sin.
2. The **surrender** to Christ that we can't do it. Only He can help.
3. Apply **Scripture** to the sin. The Bible is the "sword of the Spirit" **Ephesians 6:17**
4. We **walk** in the Spirit. We do this by avoiding the person, app, texting them – we set "guardrails" in place to prevent the sin coming back to life.

The spirit of adoption reminds us that we have a new position in Christ. We're no longer slaves, rather God is our Father.

Galatians 4:6 says, "And because you are sons, God sent the Spirit of his Son into our hearts, crying, 'Abba, Father!'"

- Fear has been replaced with acceptance. We don't believe the doctrine of adoption in our head, we allow it to shape our worldview.
- Our adoption is real and true but not yet complete. There will be suffering for being a child of God, but our final glorification is coming.
