Joanne English

We are excited to nominate Joanne English. We believe that she will bring wisdom and unique perspective to our team. Joanne English has been coming to our church for a very long time! She has been worshiping with us for 30 years and attending on and off for 50! She is active serving in our community, and our church, helping out with memorial services, and TND.

Therese Holland

If approved, Therese will bring a compassionate heart to our team. She loves people well. She is active in our Tuesday Night Ministry cooking and leading. She has been going to Redeemer for ten years, and often can be found bringing her grandkids to church.

Doug Gebhart

We are excited about the possibility of having Doug on our team. He brings hands on knowledge to our team. Doug serves on our AV Team and was instrumental in getting our church online during 2020. He also served on our finance committee to help prepare the 2025 budget. Doug has been going to Redeemer for 9 years.
