Place: Bethel College, Mishawaka, IN

Organization: World Partners as the Missionaries-in-Residence at Bethel College

Email: jonesbp@bethelcollege.edu

Ministry Purpose: Our ministry is one of “being a Barnabas to the future Pauls and Paulines on the Bethel Campus and preparing a new generation of cross-cultural laborers.” We seek to come alongside those students who are interested in discipleship and missions, and help them become involved in ministry right now and prepare them for future ministry.

Ministry Timeline: Having served in France with World Partners for 15 years in evangelism, discipleship, and leadership training among university students, young married couples, and high school students, for the last 16 years we have been on special assignment at Bethel College.
