

IMAGINE KIDS

Fact Sheet for Regathering Kids

Regathering Plan

- Imagine Kids will reopen this fall on Oct 11th we will honor all the state and local guidelines to make this safe and secure for families.
- Online Materials will continue to be available for families to complete at home if you're not ready to return to in person children's ministry setting

Classroom Process

- Upon entering the Imagine Kids area, each child will either wash hands or use hand sanitizer.
- Each child will have individual supplies (crayons, markers, some toys)
- Children will be distanced as much as possible in Sunday School rooms
- Masks ARE required in the kid's ministry area for over 5 years old.
- Elementary kids will have a preassigned group that a helper at the door will direct them to according to the colored dot on their nametag. They will immediately join their group.
- Teachers will do their best to watch for any toys going in or near the mouth and put the toys in a dirty bin.
- No snacks will be served.

Health Screening

- Parents should check their children for any symptoms of COVID-19, including taking your child's temperature, prior to sending their children to ImagineKids. Children should remain home if any symptoms are present. When in doubt stay home.
