

ROOTED is a 10-week spiritual formation experience designed to connect you with God, the church and your purpose in unexpected, life-changing ways.

Beyond a program, seminar, class or curriculum, Rooted is a catalyst for life-change. We're calling it our "on ramp" and "launching pad". So whether you're brand new to your faith journey, or have been journeying for years, Rooted is for you. Rooted provokes questions and conversations and offers a beyond-what-is-comfortable group experience designed to give you a glimpse of your story in God's story. We want everyone to experience ROOTED!

The ROOTED experience redefines how people live life and view their relationship with God and others, giving context to what it means to be a part of something bigger. You will begin to see God in new ways, allowing you to experience a different way of life: community, authenticity and generosity.

Did you know that people only remember 10% of what they read, 20% of what they hear, and 30% of what they see? But they learn 70% of what they discuss and 80% of what they experience. Today, people grow healthier, faster & deeper in their faith when they talk, observe and experience life with others. That's why ROOTED is so powerful.

ROOTED is an interactive experience that deepens our connection with God, His Church and our purpose. In the course of 10 weeks, we will gather weekly and break out into small groups of 10-15 to discuss what we've learned from the week's homework and delve deeper into what God has been saying to each of us. It's amazing what happens when we gather and openly share, this is often where lasting transformation is experienced. When we begin to hear different thoughts on topics that we may have never considered or new ideas on subjects that we thought we had previously mastered.

The groups share three experiences together outside of the group time – all designed to magnify, intensify and deepen the explored topics and to transform hearts and lifestyles through applying what has been learned and discussed. These experiences include fasting and prayer, serving those in need, and sharing the story of your faith journey. Finally, there is a celebration dinner for all ROOTED graduates, where everyone gets together to share stories of transformation, celebrate baptisms, and be commissioned to live their purpose.
