

## TITHING RETIREMENT!

Perhaps, as Evangelical Christians, we ought to view retirement not only as an opportunity to get out the Bucket List and start traveling or take up gourmet cooking, but also as an opportunity to spend some concentrated time helping grow the Kingdom of God.

The average length of retirement today is 18 years (per the US Census Bureau).  
What if we considered “tithing” our retirement years?

Imagine the impact on the Kingdom of God if each of us invested one tenth of our retirement years on the mission field!

*“Test me in this,” says the Lord Almighty, “and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it.”*

*Malachi 3: 10b*
