

Resources for Cultivate Community Leaders

This guide is a collection of books, study guides and curriculum that we recommend to our Cultivate Community leaders to help equip them as a family of missionary disciples who make disciples in all of life. These would be great to use in either your weekly group meeting or DNA group.

The resources listed in this guide are organized in the following way:

1. Starting resources for the beginning of a group's launch (or relaunch)
2. Our gospel identities (Family, Missionary, Disciple). Within each identity are lists of resources organized by topic (i.e. prayer, marriage, parenting, etc.)
3. Bonus resources
