PraiseCharts Worship Orchestrations

Angels From The Realms of Glory *(w/Emmanuel)*

Words & music by James Montgomery, Henry Smart, Paul Baloche, Michael Rossback, and Brenton Brown

Arranged and orchestrated by Dan Galbraith

Based on the popular recording from the Paul Baloche album
"Christmas Worship Vol. 2"

PraiseCharts Worship Orchestrations are a group of contemporary arrangements in a time-tested format by PraiseCharts' best writers. The *Praise Band* level begins with a contemporary "R&B horns" praise band sound, while the *Orchestration* level incorporates instruments scalable up to a medium-sized "studio" orchestra.

Rhythm section: The ***Rhythm*** part is for the section player (pianist, guitarist, or drummer) with all the specific rhythms and chords necessary for the arrangement. The ***Lead Sheet*** is a combination rhythm and vocal chart meant for the vocalists, worship leader, or rhythm player needing more vocal cues. The ***Piano, Vocal*** part includes a full piano part in "songbook format" for those not comfortable with playing from a chord chart. When playing with a complete band the pianist would be advised to simplify this part in order to "stay out of the way".

Vocals: Our charts can include a ***SAT Lead Sheet,*** a ***SATB Vocal/Piano*** score, and a ***SATB Choir Sheet***. When using the SAT part (soprano/alto/tenor), the baritone/basses should sing the melody (soprano) down an octave – any exceptions are listed on the score. When the part is written in unison, the men should sing it down one octave or it may be done as a solo. This method provides a contemporary sound in an easy-to-learn manner.

Alternate keys: There is at least one alternate key included to accommodate either a keyboard-based band or a guitar-based band, to give the orchestra a more playable key, or to make the vocal range more accessible if necessary.

Other notes: Each instrumental part includes ***Lyric Cues*** to aid the player in keeping their place.

Parts included in the PraiseCharts Worship Band Series
