I am the Way, and the Truth, and the Life

John 14:6

1. Each of the Jesus' "*I AM*" statements are declarations of both divinity and exclusivity, and each demands a response. So ... what is your response?
2. What most challenges you to more deeply believe in Jesus, and follow Jesus?
3. Why is it imperative to understand how the way of the world and the way of Jesus are clearly, diametrically opposed?
4. What is your story of coming to faith? Was it difficult to take the step? Or, did it come easily? Did you act in the moment, or was it more of a journey toward faith?
5. The closer we follow Jesus, the more we become *like* Jesus. How are you doing at looking beyond outward appearances to try to understand what lies within a person? Why are curiosity and compassion essential for seeing people more deeply?
6. Who is helping to carry your cross? Who are you helping to carry their cross (and *how* are you helping?)
7. How does having an eternal vantage point change how we live?
8. Where do you find yourself in the story that was shared?
9. What was your favorite part of worshipping on the waterfront? How can you help to bring the energy/excitement/vitality of being outdoors into our indoor services?
