Advent Three: Joy in Distress

Micah 5

1. Read Micah 5:1-6. Where did your imagination stop while you were reading these verses?
2. Micah prophesied to his people 740 years before Jesus came that a Messiah would come but that they would have to wait. How did he know this? Where did this prophet of the Lord get his information from?
3. Psalm 27:14 shares something about waiting. What else does Psalm 27:14 tell us we should do while waiting?

We learned on Sunday that Micah prophesied 5 things. Can you remember what those five were? Jesus would be.....

- a _____ over Israel.
- not just a normal _____.
- a _____ of his flock.
- he would be their _____.
- he would be born in _____.

4. Did Micah get these 5 right? How so ?

5. Why do you think Micah picked Bethlehem? Do you think the name of Bethlehem comes into play here?

We learned Sunday that Micah teaches us two things.

#1 God Knows How to Work Out the Details

Can you think of any biblical examples of people where God worked out the details?

Have you seen this to be true in your life? How so?

#2 At the Right Time, God Acts

Read Galatians 4:4 to see what Paul says about God's timing.

What in your life are you currently waiting on God for?

You are encouraged today to pray, asking God to help you while you wait for him to act.
