We are honored to host Dr. Ben Carson as our Keynote Speaker. Dr. Carson is the former Director of Pediatric Neurosurgery at Johns Hopkins, where he pioneered brain-surgery techniques. He and his wife, Candy, are also philanthropists and devout Christians—like you, they believe in the sanctity of innocent life. And, like the families we serve, Dr. Carson grew up poor. But he had a chance at life, and he's done great things with that blessing: Dr. Carson's life and career are immortalized in books, film, and theatre. ***We hope you will join us for Dr. Carson's inspiring words and much more!***

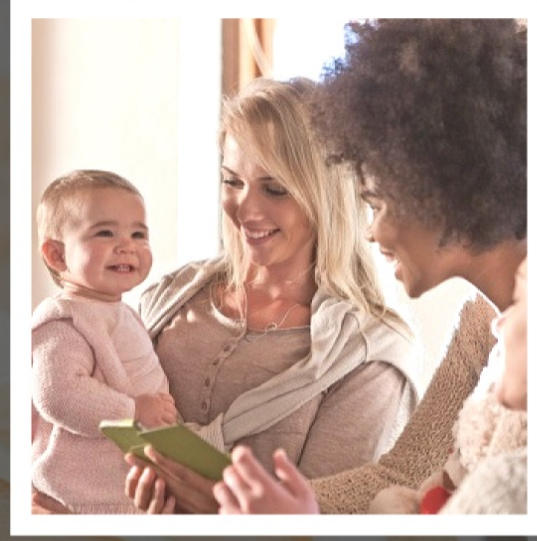

At the Gala, we will honor the brave mothers who chose life for their babies. Gabriel Network served nearly 1,200 women and children this past fiscal year, and we did it by working together. Achieving that goal was only possible because of generous giving from contributors, volunteers, and sponsors—especially at the annual Gala. Stand with us as we strive for our **Gala goal of \$150,000!** Together, with God's grace, we can do Great Things!

I hope we will see you on April 20th at the College Park Marriott! (More details below.)

They won't last long!

Thank you for empowering women to choose Life.
