Welcome to the end of Maryland's monsoon season!

We trust you enjoyed a beautiful Mother's Day. At Gabriel Network, it was a happy reminder of the reason for this ministry: empowering mothers to choose Life for their babies.

Join me in celebrating fathers, too! [I invite you to the 20th annual Dave Grabowski Memorial Pro-Life Classic.](#) It is a day-long event at Bowie Golf & Country Club on June 15: Father's Day weekend.

All proceeds support our Maternity Home in Bowie, Maryland. This home has been lovingly serving women and children for nearly 20 years. These include women like Cindy and her baby, Julianna, whom we helped last year. [CLICK HERE to watch Cindy & Julianna's video.](#)

The local Knights of Columbus, Council #2577 at Sacred Heart Church, host this event. Come join us for a day of golfing, outdoor relaxation, breakfast, lunch, plus dinner & pub games at the Knights of Columbus hall. Sponsor the event in the name of your company or a loved one.

In other news, please enjoy this month's newsletter below. We have plenty of happy updates to share with you--including a different take on "April showers bring May flowers": instead we have a *baby shower!*

Thank you for empowering women to choose Life.

Congratulations to Tessa on her baby shower! Tessa chose Life for her baby and is spending her pregnancy in one of our Maternity Homes.

Tessa's "Angel Friend" volunteers at [Apostolic Breakthrough International Ministries](#) hosted a baby shower for her! Many thanks to Pastor Lisa and Katrina for making the baby shower possible.

The Mom-Mobile

Arranging transportation--to work, to daycare, for groceries--is one of the biggest obstacles for a poor mom trying to make a better life for herself. So our Angel Friend Team at [St. Lawrence Martyr Catholic Parish](#) in Jessup approached their church with a special donation request: a car for the mother they are serving. Then, one generous parishioner stepped up and donated a car! THANK YOU!

Special Delivery

[Nourish](#), a local charity based out of the University of Maryland, occasionally delivers meal kits to the moms in our Maternity Homes: complete with fresh ingredients and recipes! This helps mom build important home-economics skills and health knowledge. Many thanks!
