The Cabbage Patch

The moms at our Maternity Home in Bowie aren't just bonding over their motherhood: they're also making a home of their own by planting vegetables!

Just a few months ago, these mothers were homeless and at risk of obtaining abortions. Today, they are in a safe, nurturing home environment that clearly care about. Their garden might be enjoyed by other mothers for years to come!

A Truckload of Giving

You know you're making a difference when you measure your contributions by the truckload!

Jason Weszka and his colleagues at **Vision Financial Group** filled a pickup truck full of much-needed baby items for the families we serve, such as strollers, car seats, pack-and-plays, and other items!

You can help, too! Reach Out!

Diaper Driving

Diapers are another high-demand item: every baby needs them and the cost adds up. So **St. Bartholomew Catholic**

Church in Bethesda ran a diaper drive to help local moms get all they need through Gabriel Network. Many Thanks!

If your church wants to run a diaper drive, too, [just click here!](#)
