

Lisa and I have been married for thirty-four years. Our oldest son, Robert and his wife, Veronica, live in Houston with their daughter and our Granddaughter, Charlene. Elizabeth is an attorney practicing with me in Ft. Worth, and William, our youngest, graduates from Tulsa Law School this May. Our children served as acolytes and participated in the youth program.

I practice law and enjoy an active trial practice in Texas, Oklahoma and other states. My resume/CV is on our webpage at [haslamgallagher.com](http://haslamgallagher.com). At age eleven, I accepted Christ at New Life Ranch Camp. This is the most important event in my life. Mathew 6:24-34 and Luke 10:25 -37 are two of my favorite bible verses. Both call upon me to trust the Lord and to help others.

I enjoyed serving St. Andrew's as a Sunday School teacher beginning in 1994, participated in Men's Discipleship and served on the Ministry and Missions Committee, the Associate Vestry, and the Jail ministry with Don Anderson. I have been an Alpha leader, and a Philippians leader. I currently serve as the Acolyte Warden and Usher Group Leader. I served on the St Andrew's Vestry from 2011-2013.

Compassion and administration are my spiritual gifts. I would expect my gifts to help our members enjoy serving and working with everyone in a positive dialogue and strive to "leave the campsite better than I found it".

I think my litigation experience will benefit the Vestry, and I will work hard to find the Rector that can best help us and our children. This is a great transition time for our church that we will look back on as a time of great anticipation for what the Lord has before us and our new Rector.

Bob Haslam
