help paying for college
or vocational training next year?

HELP

is available with a **Scholarship Grant**
from
The McFarland Fund!

Scholarship Information McFarland Fund Scholarships of varying amounts are granted to deserving high school seniors or college students up to thirty years of age who are permanent residents of either Parker or Tarrant County and need financial help to attain their educational goals.

Scholarships are awarded for a specific educational purpose for a specific time period of one year.

They are granted for study or training at an accredited college or trade school in Texas unless the education or training sought cannot be obtained in the State. An applicant desiring to attend a school outside the State of Texas must clearly show the proposed course of study is not available at a Texas school.

Applicant Information Applicants are considered on the basis of good character regardless of race or religion.

Seriousness of purpose, willingness to work, and the ability to complete the proposed course of study or training must be demonstrated.

An applicant must be a citizen of the United States at the time of applying and must be a resident of either Parker or Tarrant County for at least a year. Establishment of residence in the county for the purpose of attending school does not meet the residence requirement.

A recipient who has successfully completed an academic year or a portion of his chosen course of study may reapply for another scholarship grant the next year in order to continue his education with the understanding that his academic achievement or progress in a vocational training program will be reviewed at regular intervals.

No limitations are imposed on the applicant's right to apply for and receive scholarships and financial aid from other sources, but an applicant must disclose the receipt of such other assistance as one indicator of financial need.

Application Requests Prospective applicants may obtain the application form from scholarship headquarters by phone, mail, or e-mail to:

The McFarland Fund
917 Lamar Street
Fort Worth, Texas 76102
817-870-2036
edd-mcfarlandschol@st-andrew.com

Applications are also available from:

The McFarland Fund
Weatherford ISD
1100 Longhorn Drive
Weatherford, Texas 76086

Applicants residing in Tarrant County are asked to return or mail completed applications to the Fort Worth address. Parker County residents should return or mail completed applications to the Weatherford address.

Applications must be returned or post marked no later than March 1st

Application Procedure An application for a scholarship grant will be considered after the receipt of:

1. The completed application form
2. A 250 word personal essay
3. Official high school and/or college transcripts (Copies are acceptable)
4. ACT, SAT, or any other aptitude or achievement test scores (Copies are acceptable). If the school you plan to attend does not require the SAT or ACT, a copy of the entrance examination given by the school is acceptable.
5. Three letters of recommendation (At least one reference should be from a teacher or counselor, and at least one should be from an employer, minister, or activity leader.) Be sure that the references know the deadline for applications.
6. A copy of your parents' current signed Income Tax Form and your Tax Form if you work and file Income Tax.

All application material is used solely for the purpose of awarding scholarships. The information is considered confidential, is secured, and subsequently shredded.

Evaluation Procedure Upon receipt of the completed application form, the McFarland Scholarship Committee will evaluate the data. Applicants may be asked to meet with the appropriate County Committee for a personal interview.

All funds awarded will be paid twice a year directly to the institution the recipient attends, to be applied to tuition, books, fees, and housing on campus. If the recipient withdraws from school, or if the recipient's semester hour load drops below 12 hours or their equivalent, money not used will revert to the McFarland Fund.

Follow-up reports regarding the student's progress will be required from the recipient of the scholarship grant. Recipients agree to submit copies of grades at the completion of each semester.
