 This sheet will provide cbckidz or COYO detailed information about where and when you wish to/are able to serve. Should be updated annually.
- III. **The Screening Authorization Consent Form**
 This completed form gives Cornerstone Bible Church permission, through an outside agency, to conduct background checks on you. This permission granted annually.
- IV. **The Cornerstone Statement of Faith**
 This document is to be read carefully and then dated and signed indicating that you agree with its contents. This document will be reviewed and re-signed on an annual basis.

Screening Authorization/Consent Form 2023-24

- I understand that a Sexual Offender Background Check will be conducted by an outside agency on all potential volunteers for every position involving children and/or youth (anyone under the age of 18) at Cornerstone Bible Church. I understand that national, state and/or local criminal background checks may also be utilized. I understand that Cornerstone Bible Church reserves the right to repeat the above background checks if necessary. Costs for all background checks will be covered by Cornerstone Bible Church.
- I understand that by furnishing my current email address to Cornerstone Bible Church, they will transfer that information to Checkr, a national background check company, who will then reach out to me via email with instructions on how to proceed.
- **Should your clearance from Checkr already be in our database, you will not receive a new request from Checkr. However, you still need to complete this form acknowledging that you understand this process.**
