To raise \$\$ for their summer mission trip, the CBC youth group has hired **ProShred Security** to provide a **mobile truck** for 2 hours so you can securely give the "heave-ho" to those confidential documents once and for all!!! You and your neighbors are invited to this community shred event (& car wash) where ProShred Security will take your confidential documents and destroy them in their mobile shredding truck while you watch! No need to remove file folders, binder clips or staples as the industrial shredders will easily shred through them. Take advantage of this

opportunity to safely and securely dispose of obsolete information like cancelled checks, cc statements, tax files, medical records, legal papers, annoying politicians (kidding) and so on. For questions regarding ProShred Security, please contact them directly at 678-580-1155.

**Pricing:**  
**\$5 per shred box** (not tax deductible)  
**\$10 per car wash** (not tax deductible)  
**\$ Donations above this = tax deductible!** ✓
