Policies established by the Children's Ark Board:

Tuition is to be paid **in advance**, by Monday of each week, prior to care.

The weekly tuition payments remain the same regardless of absences, holidays or vacations.

One week's notice of withdrawal is required to avoid unnecessary charges.

Tuition paid in advance may be refunded for full weeks only, if notice of withdrawal is given.

*Payments not made by the Friday after the due date will result in a \$20.00 late fee. Failure to participate in a payment plan, after the second week, will result in the child(ren)'s dismissal until account is brought up to date, or payment plan established.
