

REASON TO SING

VERSE 1

When the pieces seem too shattered
To gather off the floor
And all that seems to matter
Is that I don't feel You anymore
No, I don't feel You anymore

CHORUS 1

I need a reason to sing
I need a reason to sing
I need to know that You're still holding
The whole world in Your hands
I need a reason to sing

VERSE 2

When I'm overcome by fear
And I hate everything I know
If this waiting lasts forever
I'm afraid I might let go
I'm afraid I might let go

BRIDGE

Will there be a victory
Will You sing it over me now
Your peace is the melody
Will You sing it over me now

CHORUS 2

I need a reason to sing
I need a reason to sing
I need to know that You're still holding
The whole world in Your hands
That is a reason to sing

JUST AS GOOD

VERSE 1

I've been here before my heart feels so weak
Got this weight upon my chest and
I can't stop forgetting
My God that you've never left
You're right here with me
Still I'm convinced you're hiding
Oh God would you remind me

CHORUS

That you're still just as good as when I met you
You're still just as kind
Don't let me forget that you're
Still the same God who led me through the fire
You're still the same God that separates the waters
Come do what only you can do
God I need you

VERSE 2

You've done this before will you do it again
'Cause the waves are all around me
And it feels like I'm drowning
My God will you still reach down
And give me your hand
'Cause even when I'm doubting
Your love it still surrounds me Oh

BRIDGE

And I will build an altar
Stack it stone by stone
'Cause every ebenezer says I've never been alone
My faith will surely falter
But that don't change what you've done
'Cause every ebenezer points
To where my help comes from

ON THIS SIDE OF HEAVEN

VERSE 1

On this side of Heaven
Is my chance to worship
When mountains are still in my way
On this side of Heaven
I choose to remember
The truth of what will remain
Jesus You never change

CHORUS

Good You've always been good
You are still good
So good

VERSE 2

On this side of Heaven
My life on the altar
Even if my plans change
On this side of Heaven
Let faith be my weapon
Knowing You've made a way
Jesus You never change

BRIDGE

And this is not a hopeless cry
My hope is built on Jesus Christ
And I will not be put to shame
I wholly lean on Jesus' name

TAG

You're a good father
You're a good friend
You're a good shepherd
There 'till the end

IT IS WELL

VERSE 1

Grander earth has quaked before
Moved by the sound of His voice
Seas that are shaken and stirred
Can be calmed and broken for my regard

CHORUS

Through it all, through it all
My eyes are on You
Through it all, through it all
It is well
Through it all, through it all
My eyes are on You
And it is well with me

VERSE 2

Far be it from me to not believe
Even when my eyes can't see
And this mountain that's in front of me
Will be thrown into the midst of the sea

BRIDGE

So let go my soul and trust in Him
The waves and wind still know His name

ENDING

It is well with my soul
It is well with my soul
It is well with my soul
It is well it is well with my soul
It is well it is well with my soul
It is well it is well with my soul
