For A Meeting with

ASSEMBLYMEMBER JIM FRAZIER

Chair of the

Select Committee on

Intellectual and

Developmental Disabilities

at

At New Horizons

15727 Parthenia St. North Hills, CA 91343

The meeting is a listening session, and is free and open to the public. If you are a member of the I/DD community, this is your chance to talk directly to members of the Legislature about your needs, your experiences with the Regional Centers and anything else you think state lawmakers should know.

With the closure of the Developmental Centers and the state moving away from institutional living, it is imperative that the Legislature pay close attention to how Californians with I/DD are being served in their communities and by the state.

REGIONAL CENTER SURVEY

If you or a loved one is a client of one of California's 21 Regional Centers, here is your chance to tell us how they are doing. Please complete our survey at:
