

Home Visit Notification/Request Form

(Preschool Only - 3 Years Old and Older Classes)

Here at 'In His Hands', we believe it is important for your child to be as comfortable as possible when starting preschool! Your child will have an opportunity to meet their teacher, in their own home surroundings, to lessen any stress that they may have before school starts. This gives you, as the parent, an opportunity to meet and visit with your child's teacher about the upcoming school year, and answer any questions that you might have. The home visits also help to begin a positive relationship between your child and the teacher in the comfortable setting of home! Please sign the form below if you would like to participate and you will be contacted by the teacher to schedule your home visit! It is encouraged that you take advantage of this opportunity!
