

A SERIES ABOUT WINNING
WHERE IT MATTERS

HOME FIELD ADVANTAGE

APRIL 28 -
JUNE 2, 2019

PART ONE: GARY WEBBER

Join us this Sunday as Pastor Gary Webber kicks off a six-week series where we examine the biblical playbook for winning where it counts.

PART TWO: DR. JERRY HAAG

Dr. Haag serves as president and CEO of One More Child - a leading child welfare agency meeting critical needs through foster care, anti-trafficking, child hunger and single mom ministries.

PART THREE: RACHEL WHITE

Rachel is the Founder and Executive Director of Her Song Jacksonville. She is a licensed professional counselor and an ambassador and advocate for human trafficking survivors.

PART FOUR: PAUL WHITE

Paul and his wife Rachel are originally from Texas, but they and their four children have called Jacksonville "home" since December of 2007. Paul is currently the Senior Pastor of Faithbridge Church. He has a passion for guiding the local church to boldly lead people to transformed lives through faith in Jesus Christ.

PART FIVE: DARREN SIDES

Darren serves as our Associate Pastor of Discipleship, giving leadership in the areas of Adult Small Groups and our Ministry to Students (6-12 grade) and their families.

PART SIX: GARY WEBBER

The New Testament frequently compares the church to a family. In fact, our families have ultimately been designed by God to prepare us to be a part of His family! Join us for the conclusion of Home Field Advantage as we welcome home Pastor Gary Webber who will be sharing his heart for the future of our Southside Family.
