**Sermon: Isn't the Bible a Myth?**

**Can we trust the Bible? That's the question we're exploring this week as we begin our new series. With this question in mind, I want to invite you to try an experiment – to read the Bible on your own and see what you discover. For this experiment, we'll be reading through the first four chapters of John's Gospel. As you read these stories, offer this simple prayer, "God, please meet me in this book."**
