**Sermon: Living for God's Kingdom**

**This is Holy Week, the most significant week in the church calendar. During this week, we remember Jesus' final days in Jerusalem. We celebrate Maundy Thursday (Holy Thursday), Good Friday, and Holy Saturday, which all lead up to Easter Sunday. For our readings this week, we will follow Luke's account of Jesus' triumphal entry into Jerusalem to his crucifixion and resurrection. As you read these passages, ask yourself – what do the events of Holy Week teach me about Jesus? And what do they teach me about being his disciple?**
