Sermon: Will Robots Take My Job?

Will robots take my job? This question reminds us that when it comes to finances, we're not in control. Life doesn't always go the way we plan it. But according to Jeremiah 29, when our plans fail, God's plans still stand; and God's plans are good. God desires to bless us so that we can be a blessing to others. God wants us to use our resources to help our community flourish.
