Dear Pastor Ken and all our friends at Calvary Bible Church,

WOW! Spring has sprung. The weather is warming up, things are in bloom and the grass needs cutting. What a wonderful time it is! The season is a reminder of life renewal and the beginning of new things. Life in the rebirth of our spirits through the incredible sacrifice of Christ on the cross and His resurrection that sets us free from our sins. Hallelujah and amen!

Everyone here at Friendship from volunteers to the staff, counselors and Board are proud to serve Him in doing everything possible to preserve His wonderful gift of life through the miracle of birth. In the face of a society that considers pregnancy an inconvenience and is steadily turning its back on God, we consider our work here one of His highest callings. Your kind support enables us to continue to help each mother to choose life for her baby.

I want to take this opportunity to thank you for what you do to support His work here! From those who give of their time, supply our moms with diapers, clothes, your kind support and so much more we all say thank you.

May God bless you richly for your generosity!!

Together in His service,

George "Josh" Moyer
